Take up the White Man's Musket.

Take up the white man's musket,
The deadliest one ye make;
Go drill your sons to use it,
And then, for Jesus's *sito,
Send them with ammunition
To hunt these heathen wild,
Your new caught, suline people
On whom God never smited.

Take up the white man's cannon,
The largest that ye cast,
Go put it on your warships,
The strongest ones and fast—
speed them to heathen countries
Seek out each farthet spot,
And save these sulton people
With bibles and with shot.
